The dusty desert town of Redemption survived the apocalypse but is hanging on by a thread. A despot rules the town with an iron fist and controls its most precious resource: water. When that strongman marks her mother for death, young Rose Obregon ventures into the perilous wasteland to seek the help of the legendary gunslinger Cat Tanner, only to discover that the so-called "Butcher" is long retired, living in solitude, far from what's left of the world, and preferring to keep it that way. When Rose arrives on Tanner's doorstep, with gunmen hot on her trail, the Butcher has a choice to make: sit on the sidelines or pick up her guns and do what she does best?

TERRY AND THE PIRATES: THE MASTER COLLECTION, VOL. 10—1944: SPIES, SNAKES, AND HOTSHOTS

Writer/Artist: **Milton Caniff**

The saga continues in *Terry and the Pirates* Volume 10, reproduced from Milton Caniff's personal set of color syndicate tabloid proofs!

Terry must solve the riddle, "Who? Who is Madame Shoo-Shoo?" It's an answer that places him in the clutches of Singh-Singh; his wife, Cheery Blaze; and the Nazi major with whom they do business! Meanwhile, Burma and teenaged orphan Willow Belinda connect with Terry just in time to meet the nosy war correspondent, Dunkan, and the noisy new flyboy, Hotshot Charlie! But the hearts that beat fastest belong to daredevil pilot "Snake" Tumblin and "Big" Jane Allen of the Women's Army Corps...

This tabloid-sized Volume 10 containing the 1944 dailies and Sundays is an unparalleled upgrade that no *Terry* fan can afford to pass up.

The Vigilante story starts when Peacemaker has disappeared! It's up to Adrian Chase, the Vigilante and Peacemaker's Bestest Friend to find him! The crime bosses of Evergreen must pay! BLOOD WILL BE SPILLED! (oh, wait, you say Peacemaker is just on vacation? Oh. uh. Don't tell Adrian.)

Meanwhile, Eagly and his sidekick, Chris Smith (aka Peacemaker), are exhausted! After kicking the #$%@ out of a buncha Nazi lizard dudes, it's time to head to the great outdoors for some fresh air and a much needed vacay. But when their commute is co-opted by a bunch of masked &$#%$@#!, it's up to a certain eagle hero and his pet human to get themselves (and some dumb innocent folks) out of quite the pickle. Will lives be lost? Duh.

An original DC Comics story, inspired by James Gunn's visionary *Peacemaker* series on MAX, ya best get ready to rumble!

In the wake of Absolute Power, the Justice League has returned, the war criminal Amanda Waller is in prison, and things are finally getting back to normal...that is, until Dreamer, Jon Kent, and Jay Nakamura discover that Waller has somehow vanished into thin air from her cell! With seemingly no leads and nothing but questions (and enough trauma to fill a swimming pool), our three heroes are forced to team up with the bad guys—Deadshot, Catman, and Black Alice—to track down Waller, reclaim the infinite trove of secrets in her head, and uncover what the deal is with all these freakin' chess pieces they keep seeing around...all without letting their own individual secrets tear them apart from the inside. From acclaimed writer and actress Nicole Maines (*Supergirl*) and superstar artist Stephen Segovia (*Spawn*), the Secret Six are back in an all-new high-stakes, twist-filled limited series!

You'll gag, you'll cry, you'll feel things you ain't never felt before! This fine publication is a celebration of all things passed, pre-scent, and toot-ure. Sequential art's place in the annals of history is about to change with the release of the *Harley Quinn Fartacular: Silent Butt Deadly*, a comic that promises to have the highest concentration of gas per page (GPP) ever committed to print. Emphasis on committed, because everyone who worked on this comic is getting thrown into Dr. Fartley's Home for No-Good Gassy Gals 'n' Guys. Read the comic that Abraham Lincoln called "a joy from fart to finish" moments before he died!

WARNING: We aren't kidding. If you are grossed out by farts, then this comic isn't for you (and that's perfectly okay!...though I am judging you!). Unless you want to put your feelings to the test...in which case this comic is for you.

MUYBRIDGE

GUY DELISLE

How do you capture a changing world in the blink of an eye?

Sacramento, California, 1870. Pioneer photographer Eadweard Muybridge becomes entangled in railroad robber baron Leland Stanford's delusions of grandeur. Tasked with proving Stanford's belief that a horse's hooves do not touch the ground while galloping at full speed, Muybridge gets to work with his camera. In doing so, he inadvertently creates one of the single most important technological advancements of our age—the invention of time-lapse photography and the mechanical ability to capture motion.

Critically-acclaimed cartoonist Guy Delisle *Pyongyang*, *Hostage* returns with another engrossing foray into nonfiction: a biography about Eadweard Muydbridge, the man who made pictures move. Despite career breakthrough after career breakthrough, Muybridge would only be hampered by betrayal, intrigue, and tragedy. Delisle's keen eye for details that often go unnoticed in search of a broader emotional truth brings this historical figure and those around him to life through an uncompromising lens.

Translated from the French by Helge Dascher & Rob Aspinall, *Muybridge* turns a spotlight on what lives in the shadow of an individual's ambition for greatness, and proves that Eadweard Muybridge deserves to be far more than just another historical footnote.

Muybridge photographed incessantly.
San Francisco was now the tenth-largest city in the country...
and its residents had developed a taste for culture.

Following the success of the Yosemite views, all art dealers were after his work.

He exhibited recent work at the prestigious Nahl brothers' gallery.

It was there that he met Flora Downs, who was working as a photo retoucher.

She was 18. Muybridge, who despised taking portraits, offered to photograph her.
You know, you have a very photogenic profile—has anyone ever mentioned that?

Muybridge courted her, and two years later, they married.
One, two, three...
She was pretty and spirited, and she liked the theatre.
Muybridge, twice her age, often spent more than half the year away from home, travelling for work.
On one such assignment, he spent six weeks photographing lighthouses along the Pacific coast.
Let's go!

South Farallon Island Light, California (1871)

Alone in her new home, Flora grew restless.
In the evenings, she went out to see the latest theatre productions.
There she met a certain Major Harry Larkyns, theatre critic for a San Francisco paper.
He was handsome and elegant. A real ladies' man.
A bit of a scoundrel, too...for he was no more an army major than he was an art critic.
Ma'am...
You dropped your hand-kerchief... Allow me.
You're mistaken. It isn't mine.
You're not alone, are you?
That seems... inconceivable.

It was around this time that Muybridge became acquainted with the former governor of California, Leland Stanford.

...And then it occurred to me, why not do a photographic survey of my marvellous home? Like the one you did of Yosemite.

What do you say?

Muybridge wasn't enthusiastic about the project, but Stanford was a one-of-a-kind client. Turning him down was out of the question.

Splendid idea. I'm your man.

Meanwhile, somewhere in France...

Étienne-Jules Marey, a physician, physiologist, and ingenious tinkerer, was conducting a study of horses in motion.

Marey had devised a remarkable contraption to carry out his experiments.
Under each of the horse's hooves, he placed a cushion that expelled air upon making contact with the ground.
Tubes connected the cushions to a stylus that recorded the animal's movements on a cylinder.
This allowed Marey to track the exact moment when each hoof would touch and leave the ground.
POOF

Marey published his findings in an article that was translated into several languages. It caused quite a stir...
The body of the animal is, for an instant, suspended in the air...
especially in the United States, where all horse enthusiasts weighed in on the debate.
Outstanding study, no?
Agreed. This Frenchman is onto something.

Muybridge carried out his assignment, documenting every room of the house.

He occasionally recruited family members for the photos.

Here we see Jane Stanford—stiff as a board—and Leland Jr., who is blurred.

Clearly, Muybridge did not excel at photographing people.

Mother and son also posed for a portrait. Both would later meet tragic ends.

Leland Stanford house (1872)

My idea is to photograph a galloping horse.
One of mine, obviously.
It can't be done!
Hmm...
That's what people said when I started building the transcontinental railroad.
The technology is not yet advanced enough to record the motion of a galloping horse.
It's hard enough to capture moving water without it blurring.
So a horse at gallop... You can't even imagine—
Not at all. I can imagine it very well.

You see, Muybridge, since the beginning of time, humans everywhere have tried to depict galloping horses—on walls, in tapestries and paintings, even in sculpture.

And since the beginning of time, they've been getting it wrong.

Take Géricault, the finest equestrian artist of the last generation...

I refuse to believe that horses hop like frogs!

And even today, the greatest of them all, Ernest Meissonier...
Better, but still not quite right.

Anyway, that's their problem. What interests me is racing.
HELIO

As you may know, I've developed specialized training methods that have made my horses the best in the country.
If only I had a precise understanding of the mechanics of the gallop, I could do wonders. I'm sure of it.

WE ALL GOT SOMETHING

LAWRENCE LINDELL

When you're always searching, you might just surprise yourself with what you find

After a rocky attempt at living in London with his partner, Lawrence finds himself single, broke, and back at home in Compton with his mom and great-aunt, moping from bed to kitchen table and back to bed again, with long layovers on the front porch to sit and watch the world pass him by. Everything had been so good—a degree, an animation internship, paid music gigs, the perfect girl. How the heck did Lawrence get knocked so far down, with such little semblance of his former life remaining to hold him together? Well, that's a long story...

Set to a cacophonous soundtrack of church praise, playground noise, bus-stop camaraderie, and Pacific Ocean waves, Lawrence Lindell's heartbreaking—and heartwarming—*We All Got Something* recounts a tragic and random act of violence, the PTSD that follows, lost love, and coming to terms with the underlying mental health crises sabotaging it all. A testament to the healing power of art and the vital role community plays in the process, Lindell's graphic memoir is deeply personal and specific, but also relatable—because *we all got something.*

The follow-up to Lindell's Eisner-nominated and Excellence in Graphic Literature Award-winning graphic novel *Blackward*, *We All Got Something* brings Lindell's love of the comics community into a different light, and shows the author exploring deeper and darkercorners of his past, with his signature blend of humor, heart, and cartoony lines.

I ATE THE WHOLE WORLD TO FIND YOU

RACHEL ANG

An entire sea of water can't sink a ship...unless it gets inside

I Ate the Whole World to Find You maps the topography of trauma, treasures, and loss imposed onto the body of Jenny, a twenty-something-going-on-thirty-something partial hot mess who's routing her way more firmly into adulthood. As she navigates friendship, family, and romantic relationships, will her inability to communicate destroy her, or ultimately be her rebirth?

A coworker-turned-prospective-lover confesses a hard-to-swallow fetish. A train ride fantastically goes off the rails as old habits get dragged across the tracks. Cousins revisit summer holiday bliss *or was it really horror?* Exes fumble an attempt to reconnect over a dip in the pool on a squelching summer day. And an expectant mother slips into an unusual place as she embarks on a communion with her baby more pure than language can accommodate.

Set against an exquisitely lush Australian backdrop, Rachel Ang's pencils are fluid yet scratchy, precise and evocative, bringing to life the inner and external world of Jenny with stunning realism and gushing imagination. Sprinkled with speculative fiction and fantasy, Ang's radiant debut collection introduces a dynamic voice to comics, and establishes Ang as one of the most exciting short-story writers working in comics today.

YOU POOR THING.

IT'S OKAY. IT DOESN'T REALLY HURT. IT'S JUST ANNOYING AND GROSS.
HMM.
SO
STILL LOVING THE NEW JOB?
SO
UHHM...
WELL ACTUALLY, I GOT FIRED YESTERDAY.
WHAT, ALREADY? THAT SUCKS! WHAT HAPPENED?!
YOU KNOW, IT WAS FUNNY—

THEY SAID WHAT BOSSES ALWAYS SAY
WHICH IS: WE JUST DON'T KNOW WHAT YOU WANT.
RIGHT.
THEY... ALWAYS SAY THAT?

DO YOU KNOW WHAT YOU WANT?
UM, NO... I DON'T THINK SO. OTHERWISE I WOULD BE DOING IT RIGHT NOW, I GUESS.
HMM. WELL I'M SORRY THAT HAPPENED, DUDE.
WORK SUCKS.
NOT THAT I'D KNOW, OF COURSE.

ANYWAY ON A MORE INTERESTING NOTE, I STARTED SEEING SOMEONE.
OH?
EVEN THOUGH YOU'VE GOT... THIS WHOLE THING GOING ON?
MY APPEAL MUST BE IMPERVIOUS TO CONJUNCTIVITIS, HA HA HA.
YOU GOT A PHOTO FOR ME, OR SOMETHING?
WHAT DOES THIS PERSON DO?
DO THEY SPEAK A LANGUAGE? ARE THEY KIND TO THE SERVANTS?

tap
HMM, I SEE. AND HOW'S YOUR EYE THING GOING?
WHAT ARE YOU IMPLYING, THAT I CAN'T SEE HIM CLEARLY?
HA HA HA HA

HA
HA
HA
HA
HA
HA HA HA
OH MY GOD!
HA
OW.
OH GOD — DON'T MAKE ME LAUGH SO MUCH — IT HURTS!

OH NO —
HOW ARE YOUR LEGS TODAY, WILLOW? ARE YOU IN PAIN?
NO.
TODAY I CAN'T FEEL ANYTHING. THEY'RE JUST NUMB. BUT I CAN'T MOVE THEM AT ALL NOW.
OH NO! HOW ARE YOU GETTING AROUND?
WELL. HARRY DID ORDER A WHEELCHAIR FOR ME, BUT IT'S TAKING AGES TO ARRIVE.

SO I'VE HAD TO, UM —
REPURPOSE ANDY'S OLD SKATEBOARD TO MOVE FROM ROOM TO ROOM.
WOW. THAT'S RESOURCEFUL OF YOU.
I WISH YOUR CHAIR WOULD COME SOON THOUGH, SO YOU DON'T NEED TO SHUFFLE AROUND ON THE FLOOR.
I KNOW... SO UNDIGNIFIED...

YOU KNOW WHAT THE HARDEST PART OF ALL THIS IS?
THERE IS NO GETTING BETTER, NO EXPLANATIONS OR ANSWERS —
EVERYONE IS KIND AND UNDERSTANDING AT FIRST
BUT EVENTUALLY, PATIENCE RUNS OUT.
AND PEOPLE START TO SUSPECT THERE IS SOMETHING, Y'KNOW, PSYCHOLOGICALLY WRONG.
I'VE HAD SO MANY DOCTORS SUGGEST IT'S ALL IN MY MIND.

DO YOU...
DO YOU THINK THIS MIGHT BE RELATED TO SOME KIND OF PSYCHIC PAIN?
WHAT?
NO.
I DON'T.
IT'S NOT SOME BOGUS THING I MADE UP, YOU KNOW.
IT'S REAL.

NO...!
I DIDN'T MEAN THAT YOU WERE MAKING IT UP!
WELL.
IT FEELS... IT *FEELS* LIKE YOU DON'T BELIEVE ME.
I... KNOW?
... AND YOU *KNOW*.

SEARCH AND DESTROY VOL. 2

By Atsushi Kaneko

$14.99 / SC / 224 pgs / BW / 5.2″ × 7.2″ · ISBN 979-8-87500-052-2

The second volume in manga creator Atsushi Kaneko's cyberpunk retelling of the timeless, Eisner Award–winning *Dororo* by "God of Manga" Osamu Tezuka.

Originally serialized from 2019–2021 in the Japanese manga monthly *TezuComi*, *Search and Destroy* is a brilliantly-crafted thriller about an outsider looking for meaning and vengeance in the unjust world that took everything away from her. In a stunning, high-contrast setting that blends the post–Cold War former Soviet Bloc with a gritty futuristic Tokyo, Kaneko populates his story with an unforgettable cast of scrappy heroes and skin-crawling machine-monsters on a nonstop ride full of action and suspense. The result is not only one of the best sci-fi manga of recent years but also one of the most visually rich and distinctive works of graphic storytelling in any genre or language.

SANTOS SISTERS VOL. 1

By Greg & Fake

$24.99 / HC / 160 pgs / FC / 6.6″ × 10.2″
ISBN 979-8-87500-051-5

Collecting the first five issues of the charmingly weird and weirdly charming hit indie comic book series!

Follow Ambar and Alana, the Santos Sisters, as they balance spicy superheroics with the drama of their everyday lives in a playful mix of Archie Comics and *Love and Rockets*. The Santos Sisters fight crime, date guys, and try to just deal with day-to-day life as young women in a world of deadly assassins, roided-up footballers, zombie attacks, organized crime, and more — while their creators, Greg & Fake, help restore the concept of unabashed fun in comic books with a healthy infusion of nostalgia and laughs.

Note: This book is published as a jacketed hardback; the jacket is a clear acetate printed with an image of the sisters in their superhero costumes. When removed, it shows the sisters in their every-day outfits.

BABY BLUE

By Bim Eriksson

$29.99 / SC / 264 pgs / One-Color / 7.3″ × 9.8″ · ISBN 979-8-87500-041-6

This haunting dystopian thriller graphic novel explores themes of mental health, queer identity, and the dangers of unchecked fascism.

In the not-so-distant future, twenty-something Betty lives in a fascistic society that menacingly polices mental health. When she is caught crying in public, the Peacekeepers take her to an Orwellian health facility to control her emotions. There, she meets the defiant Berina, who opens her eyes to an alternative reality: the Resistance. If Betty can navigate a rollicking underworld, where all manner of queerness is celebrated, she just might have a chance to strike back against the regime.

Deliciously twisted, fiercely contemporary, and backed by a Swedish pop soundtrack, *Baby Blue* is the dynamic graphic novel debut of comics artist Bim Eriksson. A vital manifesto about the need to express your unique identity in a chillingly conformist world.

SEASON OF THE ROSES

By Chloé Wary

$29.99 / HC / 240 pgs / FC / 7″ × 9.8″ · ISBN 979-8-87500-042-3

Dazzling to the eye, *Season of the Roses* is at once a deeply felt coming-of-age story and an inspirational rallying cry for young women living in a "man's world".

Barbara has big goals. As the fiery captain of her U19 soccer team, the Rosigny Roses, she's determined to win a championship before graduating high school and leaving the grungy Parisian suburbs in the dust. So when her club threatens to divert their funding to the men's team and forfeit their season, she's devastated. Banding together, the Roses come up with a longshot plan — battle the men's team in a winner-takes-all match. Do Barbara and the Roses have what it takes to save their season?

Inspired by the author's experiences, *Season of the Roses* is an authentic portrayal of a teenager at a crossroads. Her dazzling illustrations, drawn in colorful felt-tip pens, encompass the thrills of playing soccer as well as the angst of navigating life off the field. In *Season of the Roses*, soccer isn't just a game — it's all about self-discovery, making bold choices, and standing up to sexism and injustice.

TEDWARD

By Josh Pettinger

$24.99 / HC / 160 pgs / FC / 6.6″ × 10.3″
ISBN 979-8-87500-053-9

Meet Tedward — a blockhead with a heart of gold, and a talent for making bad situations worse.

Tedward is, in many ways, the quintessential 'lovable loser' — an almost literal blockhead and mangenue in the grand tradition of Pee-Wee Herman, Candide, and Flakey Foont, affording his creator the perfect vehicle to indulge his brilliantly absurdist storytelling instincts.

Tedward is the debut collection from British-born Philadelphia cartoonist Josh Pettinger. Featuring sex trousers, coital hygienists, warm televisions, hot rocks, and clown meat, as well as romance, crime, conflict, and cosmic wonders! A spiritual cousin to the humor of Simon Hanselmann and Daniel Clowes, Pettinger's singularity of tone and style in these episodic comedies mark him as a master cartoonist just entering his prime.

By Justin Gradin

ISBN 979-8-87500-118-5

Ponce Melee is a lonely clock-puncher working for Twin Labs in the cloning dept. When he uses a strand of hair to clone a companion; it's successful, but she immediately leaves him for greener pastures. So, he clones another potential companion. And that one leaves. And again. And again. Soon, multiple clones begin causing confusion and havoc around town. Meanwhile, one of the errant clones makes a pact with the devil that goes awry and strands Satan in town, forcing him to get a job.

Justin Gradin's sophomore graphic novel (after 2023's *Mystic Debris*) combines keen verbal and visual wit with a host of memorable characters — Mandrake the Soda Jerk, private investigator Butterfly Latté, pop superstar Attilla the Hunny, and many more — to create an anarchic, absurdist comedy about lonely souls and the lonely soulless. Pure comics, Gradin's work has echoes of Gary Panter, Gary Leib, Marc Bell, and Mark Beyer (and even some other cartoonists who may or may not be named Gary or Mark) while remaining a singular, sui generis voice in contemporary comics.

ARTIST AT LAST

By Bill Pearson

$20.00 / SC / 72 pgs / FC / 8″ × 10″
ISBN 979-8-87500-115-4

A retrospective in illustrations from the psychedelic, transcendental mind of one of comics' most tireless forces, Bill Pearson. Having worked in comics from just about every position and angle over the last 50+ years (including as the editor of the legendary *witzend*), Pearson's first solo art book collects a decades-spanning body of work, never seen until now. His illustrations dance playfully between monstrous and silly imaginary creatures in the vein of Vaughn Bodē, and abstract gems evoking Wassily Kandinsky. If the title rings with humility, it's only because Pearson is selling himself short. A culmination of a life devoted to comics, Fantagraphics is proud to present *Artist at Last*.

A group of activists have gone missing, and a new generation of the Sangerye family must face a menace far worse than anything their ancestors ever encountered. The monstrous jinoo—creatures born out of hate and racism—have evolved into a threat that few people are willing to acknowledge, and even fewer know how to fight. Time is having a **crisis**.

Mingling in the red-light district, you can find actual cavemen, medieval knights, and cyborg soldiers on leave from World War IV. Victorian debutantes amble their way into cell phone stores, confused and bewildered (what is a data plan?). On their way to work, bleary-eyed commuters get trapped in time-loops, assaulted by alternate-reality versions of themselves, and try to avoid post-apocalyptic wastelands. And LOOK: the 3:15 bus just took a wrong turn...into the neolithic era.

Rising stars **DENIZ CAMP** (**20TH CENTURY MEN**, ***The Ultimates***) and **ERIC ZAWADZKI** (***House of El***) and Eisner-winners **JORDIE BELLAIRE** and **HASSAN OTSMANE-ELHAOU** are proud to present **ASSORTED CRISIS EVENTS**, an ongoing, zig-zagging anthology series about the compromised clicks of our clocks—full of one-shot stories both beautiful and ugly, tragic and redemptive, surreal and somehow all too familiar. Stories of people (and reality) in CRISIS—trying to keep it together while the world is falling apart, second by twisted second...

I was wrong. Of course it ends.
But even now, as I approach that end, I have no greater regret than her.
I tried to make her a new world, but I failed. This world stopped me.
IT IS ALMOST OVER.
Let me be forgiven in the next one.

MINISERIES PREMIERE

It's been ten years since the release of ***He Came in With a Smile***, the true crime smash hit that chronicled the brutal murders committed by the Nursery Rhyme Killer. But in the decade since its release, its author Seth Holms hasn't produced another title. He wants to write a story with a happy ending, but every time his fingers clack across the keyboard, it always ends in his character's death. Worse yet? These tales of blood and barbarity that flow so freely from Seth's mind are starting to happen in real life.

Turn the page on this giallo-inspired thriller from multi-hyphenate **TYLER BOSS** (**WHAT'S THE FURTHEST PLACE FROM HERE?**) and breakout talent **ADRIANO TURTULUCI**!

Two outcast best friends navigate the Sacramento suburbs of 1984, where they find a home in skateboard culture and punk rock. Perfect for fans of John Hughes' Brat Pack teen movies, *Freaks & Geeks*, and *Dazed & Confused*.

GROMMETS is both an authentic look at '80s skate culture—a snapshot of the generation that turned skating into a worldwide phenomenon—as well as a heartfelt coming-of-age story following two friends from troubled homes, navigating their damage in an era when no one cared.

The series' title sprints from skater slang. A "grommet" is a commonly used term for a young up-and-coming skater or surfer. Since the '60s, it's been used to describe the next generation of kids who, with youthful exuberance, love the sport but want to put their spin on it.

Collects GROMMETS #1-7

Select praise for GROMMETS:

"**GROMMETS** captures the raw feeling of being an outcast kid in the 1980s, and why skateboarding became such a sacred salvation to a lucky few. The graphics, attitudes and language of that era are represented with a rare authenticity that will leave you wanting more." —**Tony Hawk**

"A truly unique tone in the marriage of script and art that is equal parts cartoonish and sincere to deliver some big laughs and surprising depths." —***ComicBook.com***

The discovery of CORUM, a never seen before energy source, led to a bloody world war for its control. After years of destruction, the Lords of the Lands agreed to negotiate a ceasefire for lasting peace. The BLADE FORGERS TREATY was born from that meeting. This treaty established that the mining of Corum would be centralized through one government, led by a neutral Emperor. The Emperor would have to be a BLADE FORGER, a mystical swordsman, and claim the title in a tournament called The Tournament of the Five Rings. Every five years Blade Forgers from every corner of the Empire would fight for the possibility of becoming the new Emperor. A young Blade Forger named Owada challenges the Emperor in the name of the forsaken people. This is the story of what happens next.

PUNK ROCK IN COMICS

Thierry Lamy, Nicolas Finet (writers) & various artists

Here is the can't-miss overview of the punk rock scene from its early inception in the seventies in New York and the UK. Includes chapters on The Ramones, The Sex Pistols, and more. Punk was also the flex point for women in rock like Siouxsie and the Banshees, Blondie, The Runaways, Patti Smith and The Slits that paved the way for the Riot Grrrl movement.

Flashing the finger against the slick corporate rock of the '70s, punk was faster, messier, and louder than anything before it. Covered here with the same raw energy, look, and attitude as the music itself!

From Eisner Award–nominated writer/artist Patrick Horvath (*Beneath the Trees Where Nobody Sees*) comes a 56-page, self-contained one-shot that delivers a brutal new vision of capitalism by combat . . .

In the future, the World Finance League exists to benefit all, randomly choosing those from among the billionaires and trillionaires of the world and presenting them with a choice: either donate half of their assets to the common good—or defend them in ritual combat.

Reigning champion and real estate magnate Ted Brooks has 22 victories under his belt—defending the wealth he schemed and stabbed to get—when he is forced to face his ex-wife, Luella Dominguez, in a fight to the death. Luella has been training, waiting for this moment. But will she have what it takes to defeat the man who would do anything—absolutely anything—to keep his fortune?

It's every shareholder for themselves when death and bankruptcy collide in *Free for All* #1, a giant-sized, one-shot spectacle of commerce and carnage coming this March from Eisner Award–nominated cartoonist Patrick Horvath!

Convicts Frank Morris and Clarence Anglin have washed ashore in San Francisco after surviving their infamous escape from Alcatraz Federal Penitentiary in June 1962. They soon meet their gruff and disappointed handler, a mysterious young woman who's also running from something, and hope to quickly get their way north to the border—if they can even make it out of Modesto alive. As a dogged federal manhunt and chance encounters threaten the desperate convicts, everyone involved is about to discover the same bloodstained truth: life on the run is an even more hellish prison than Alcatraz could have ever been.

His next stop: the Weaver clan—the local, family-run crime syndicate Harley used to enforce for . . . and the only ones he believes to be capable of such magic. As Harley cuts a revenge-fueled path through the town of Briar Falls to uncover the Weavers' whereabouts, he's is about to find out that his hometown is steeped in a century of secrets . . . and that letting his curse run its course might be less painful than extracting the full price of vengeance.

But who was that hero, and what became of him? Why is the queen now the only person capable of using magic? Attracted by all these enigmas of the past, Ania, princess of the Kingdom and heir to the throne by imposition, will try to find out the truth behind these magical fables—now that she has just found a mysterious sword.

Going Under
by Zviane

"It is as **potent** a document of depression that I've ever read... It's **bleak and harrowing**, and Zviane's crisp, precise linework boldly captures this **sense of despair**."

—Rob Clough, High-Low

"A **fantastic work of art** and a powerful look at the anxiety and stigma surrounding mental health issues. **A poetic, introspective work** that avoids clichés about mental health and recovery."

—Philippe Leblanc, The Comics Beat

A powerful graphic novel from the author of FOR AS LONG AS IT RAINS

They say depression feels like drowning from the inside.
Welcome to the aftermath of a mental breakdown.

Sophie is trying to mend the pieces of her broken life. The people around her think she is "cured," but she knows she still has a long way to go before she truly feels "better." GOING UNDER is not a story as much as a process, fragments of a personal journey collected in order to make sense of an experience that can feel impossible to describe. Drawn in a minimalist, reserved style, this award-winning graphic novel mirrors the feelings of the protagonist—centering the narrative around images to convey powerful emotions when words fail.

Art Wars
by Francis Desharnais

"A **truly outstanding work** in minimalist comics."

—Phillipe Leblanc,
The Comics Beat

In order to wage intergalactic warfare, aliens abduct all of Earth's artists: It turns out that the most powerful weapon in the universe is the violent beauty of art. Back on Earth, people don't seem to care about the disappearance of the planet's artistic types—until they discover that you can't have nice consumer goods without creativity. While the abducted artists master the deadly potential of their craft, those left behind are learning the hard way that art isn't as useless as it seems... while listening to old CCR hits on repeat.

A bold and clever experiment in comic minimalism told with only 10 repeating panels, ART WARS is imaginative and dead-on satire of culture and contemporary society.

In this compelling debut horror graphic novel, a newly turned vampire yearns for salvation in the arms of the priest who uncovers her secret.

New Orleans, 1922. Cora Velasquez lives with her sister and her own haunted memories in a speakeasy run by a vampire coven. Unable to bear the weight of her damned soul, she turns to Father Orville Thibodeaux, a charismatic priest and the object of her hidden desires. Their veiled courtship becomes deadly serious when he discovers her nature, and proposes a way to both slake her thirst and save her soul. So begins the charged dance between an all-powerful but unsure young woman, and the mortal man who claims to hold her fate in his hand.

A gothic story of adoration, power, and manipulation, lushly told in Art Nouveau-inspired illustration.

"A so-fresh-it's-still-bleeding take on the vampire story, set against the simmering backdrop of prohibition-era New Orleans, where the undead and holy men alike blur the lines between corruption and salvation."

HOURGLASS

by Barbara Mazzi

OGN
Teen Readers

A stunning coming-of-age graphic novel from cartoonist Barbara Mazzi, exploring the dystopian divide of class difference, the strength of human connection, and what truly makes the heart tick.

The Hourglass is called many things: the perfect machine, the source of all life, the fountain of youth. It promises immortal comfort to the privileged, but it also looms over its creators, trapping them in its cycle.

Martel knows that there are other, inexplicable things that give life meaning, way more valuable than her own immortality. She only feels alive in the stolen moments with Twenty, an assembly worker in the dangerous gears of the machine. Will the differences between their lives tear their relationship apart, or will the Hourglass shatter first? After all, a society built on rejecting these feelings is beyond fragile... it's a ticking time bomb.

"Engrossing. The rush and panic of time that seems to stand still (for some) are so palpable in the dynamic panels, drawn in the style of an industrial designer."
– Deb JJ Lee, Ignatz Award-winning and Eisner-nominated author of *In Limbo*

WHEN FOZ, THE FRONTWOMAN OF INDIE BAND DARKSIDE, INHERITS HER FATHER'S ESTATE, IT COMES WITH A GUITAR SHE HALF-REMEMBERS FROM HER CHILDHOOD. THE GUITAR SPEAKS TO HER, PROMISING FAME AND SUCCESS. SOON, IT DELIVERS. BUT WHEN DARKSIDE'S EQUIPMENT IS STOLEN AT A MASSIVE MUSIC VENUE, JUST BEFORE THEY TAKE THE STAGE WITH DEF LEPPARD, FOZ GOES ON THE WARPATH TO GET IT BACK. A KNUCKLE-DUSTING RAMPAGE ENSUES, AND THE GUITAR'S TRUE HISTORY IS REVEALED.
